

NOTICE OF PROPOSED CHANGES
Fourth Comment Round

February 26, 2018

CIRM proposed adoption of a new regulation governing Intellectual Property, incorporated by a new regulation, section 100650. The proposed regulation was published by the Office of Administrative Law and the public comment period for the proposed regulations concluded on May 8, 2017.

CIRM has proposed additional changes to the policy incorporated by the regulation as well as the regulation itself. These are the third set of amendments to the proposed policy since the original 45-day notice. In accordance with the California Administrative Procedure Act, the CIRM is posting the revised policy for an additional 15-day public comment period. In addition, amendments to the Initial Statement of Reasons are proposed, which are also highlighted in yellow.

Additional language from the prior version is indicated as follows: additions are *italicized and highlighted in yellow*. Deletions are indicated by ~~double strikethrough and highlighted in yellow~~. Both types are also underlined.

Additional comment regarding the proposed changes must be received by CIRM by March 13, at 10:00 am.

Submittal of Comments: Comments regarding this proposed action may be transmitted via e-mail to ipcomments@cirm.ca.gov or by facsimile transmission to (510) 340-9100. Written comments about the proposed regulatory action; requests for a copy of the Initial Statements of Reasons, the proposed text of the regulation, and inquiries regarding the rulemaking file may be directed to:

C. Scott Tocher
General Counsel
California Institute for Regenerative Medicine
